ARKANSAS COMPOSITE FILING (AR1000CR)

Act 1982 of 2005 allows pass-through entities to file composite returns for nonresident members who elect to be included in the composite filing. The pass-through entity must report its distributive share of income or other gain that is passed through to the members included on this return and subject to Arkansas income tax.

NOTE: Pass-through entities include S corporations, general partnerships, limited partnerships, limited liability partnerships, trusts, or limited liability companies. Any entity that is taxed as a corporation or is a disregarded entity for federal income tax purposes is not considered a pass-through entity.

The due date is April 15, 2013 for calendar year entities. If the due date of your return falls on a Saturday, Sunday, or legal holiday, the return will be considered timely filed if it is postmarked on the next business day. If an extension is required, Form AR1055 should be completed and mailed by April 15, 2013. If additional tax is owed, the amount must be paid by the original due date. Attach the payment in U.S. Dollars to the completed Form AR1055 and mail to the address specified on Form AR1055.

INSTRUCTIONS:

Each composite return must be filed in the name of the pass-through entity, and the member who signs the return is responsible for any assessments or deficiencies incurred by the return. This requirement does not relieve any of the members from their personal liability in any way.

Only those members who must file Arkansas nonresident individual income tax returns as a result of their interest in a pass-through entity can be included in the composite return. Members who were Arkansas residents, became Arkansas residents during the year, or who had income/losses from Arkansas sources other than from pass-through entities, must be excluded from the composite return.

NOTE: A pass-through entity cannot be included as a member on a composite return.

If filing an amended return, check the box at the top right corner of Form AR1000CR. Complete the return using the instructions below, replacing the incorrect entries from the original return with the corrected entries. **Attach supporting forms and/or schedules for items changed.**

- Line 1.** Report the total taxable income from doing business in Arkansas or derived from sources within this state and distributed to a member electing to be included on this tax return. The amount must equal the total on Schedule A.
- Line 2.** Compute tax at 7% (.07). No deductions or credits are allowed.
- Line 3.** Withholding paid by entity - FEIN on AR1099PT Form(s) must match FEIN on composite return.

(Lines 4 through 13 – Follow instructions on form.)

Your tax return will not be complete unless officer, partner, or accountant signs it. Fill in preparer section if applicable.
